

**November 12, 2016**  
**Officer Installation Meeting for State Society and Maui Chapter**  
**Cow Pig Bun, Kihei, Maui**  
*Meeting Minutes*

**OPEN DISCUSSION** (11:30 - noon, 30 mins.)

Continuing education requirement for licensure (M Kamaka)

- Other professions have CE in their rules
- Different states have different regulations pertaining to continuing education.
- How can we provide the appropriate information to the engineering community?
- Has HSPE determined that we support it? How do we determine this and get industry feedback?
- Kodi suggested that we have a discussion with the licensing board and understand what the complaints they receive focus on; for example, if the main reason is ethics violations, then required CEs can include a minimum of ethics hours
- Mike Silva suggested preparing presentations for different groups on Maui (HCES, ACECH, etc.) and cycling these around for an entire year

**INSTALLATION**

**The meeting continued with the installation ceremony presided by Kodi Verhalen, PE, Esp., president of NSPE.**

- Installation ceremony
- President's speech with a focus on NSPE membership and understanding the value NSPE provides to members and the industry. If each existing member committed to signing up one additional member, our ranks would double.

**Teleconference meetings will normally be the second Wednesday of each month @ noon. Majella will setup the conference bridge.**

**Next regular meeting (conference call) Wednesday, December 14, 2016.**
